## FROM THE RABBI

### THE WORLD ZIONIST CONGRESS IS ALIVE AND WELL – DON'T FORGET TO VOTE!

At one of the conferences I attended recently there was a panel discussion. A representative of AIPAC and a representative of JStreet both spoke – one about the necessity of keeping US military aid for Israel strong and one about the necessity of Jews working together to support Israel's work toward peace without descending to name calling. Then a Reform Rabbi from Tel Aviv spoke. "I feel like I'm in a different movie than the one you're watching."

Rabbi Meir Azari told us the most important thing Americans can do for Israel is to support progressive, pluralistic Israeli organizations like the Israeli counterparts of Reform and Conservative Judaism – The Israel Movement for Progressive Judaism and The Masorti Movement, respectively – as well as the several modern orthodox streams. His argument is that Israel's greatest threat – being wiped off the face of the earth – is linked to religious fundamentalism of all stripes.

The World Zionist Congress first met in Basel Switzerland in 1897. The goal was to build an infrastructure to support Jewish settlement in what was then called Palestine. Since the founding of the State of Israel in 1948 the Congress meets every four or five years in Jerusalem. It is the voice of Jews who do not live in Israel, and its present goal is to provide policies for the World Zionist Organization and the Jewish Agency. These policies decide which organizations in Israel are supported by the money from the diaspora that the WZO oversees.

There is a WZC election going on right now – until April. Voting qualifications are that you are at least 18 and you belong to a Zionist organization. Please, please, please go online, join the American Reform Zionist Organization (ARZA), or the Conservative Zionist organization:

- [arza.org](http://arza.org)
- [mercazusa.org](http://mercazusa.org)

There are other options as well, but I'll leave you to discover them on your own if you're interested. Voting costs \$10 - only \$5 if you're under 30. So VOTE! Your vote helps decide how the 145 US seats are filled and – ultimately – how diaspora funds are distributed in Israel.

**WORLD ZIONIST ORGANIZATION**  
**הסתדרות הציונית העולמית**  
[www.iZionist.org](http://www.iZionist.org)

When we look at the massive challenges facing Israel and the Middle East, it is easy to lose hope. However, that is not an option for Jews. We each do what we can to guide events in the right direction. The only offense is not to try.

May your winter be a place from which new growth and promise will spring – for us, for all Israel, and for all the world.

Rabbi Jean E. Eglinton

Please join your West Virginia delegation at  
the AIPAC Policy Conference.  
March 1-3, 2015 in Washington DC.

AIPAC's mission is to strengthen, protect and promote the US Israel relationship in ways that enhance the security of Israel and the U.S.

AIPAC staff and citizen activists educate decision makers about the bonds that unite US and Israel and how it is in America's best interest to help ensure that Israel is safe, strong and secure. Cooperation between these two countries is advantageous to both nations.

AIPAC urges all members of Congress to support Israel through foreign aid, government partnerships, joint anti terrorism efforts and promotion of a negotiated 2 state solution for Israel and Palestine.

Please call Joan Weisberg 304-523-9022 or 528-0210 if you would like to join the West Virginia delegation attending the Policy Conference. She can provide you more information.

# Thank You!

**THANK YOU to Sisterhood for the beautiful 2014-15 directory!**

**THANK YOU to Steven Snyder** for installing our three new blinds in the coat room, Martha's office and the library. We appreciate your time, knowledge and talent!  
All three rooms look so much better thanks to you Steven!

**THANK YOU to Herb and Betty Colker** for your generous donation which paid for all the expenses incurred by the scribes. This is the most wonderful gift for our precious Torahs. As Herb said to me "Taking care of our Torahs is a responsibility we cannot neglect."

**THANK YOU to Regina Levine**, daughter of Sheldon "Moe" Levine and granddaughter of Ethel and Milton Levine for her heartwarming generosity to continue paying dues as a new member to help support our congregation, even though she lives in Cleveland, OH. She said B'nai Sholom was very important to her family and she wants to help ensure B'nai Sholom stays around for a long long time.  
What a beautiful gesture.

Do you ever find yourself singing along, either under your breath or out loud, to the prayers or songs the choir sings at services?

Do you have an overwhelming urge to learn more about the music we sing? Do you just love to sing?

If the answer to any or all of these questions is "YES", then please contact me. We rehearse on Thursdays at 7PM. We would love to have some new voices join us. Best of all, you don't have to have a good voice. We are a choir and we sing together.

## FEDERATED JEWISH CHARITIES OF HUNTINGTON WV

### *France Emergency Fund*

We are horrified and profoundly saddened by the two terror attacks in Paris, including the brutal murder of four members of the French Jewish community in a deadly siege at the Hyper Cacher kosher market. The Jewish Federations of North America has been tracking and responding to events in Paris as they occur. In coordination with the Israeli Prime Minister's Office and the Service de protection de la communauté juive in France, we are working to ensure that local Jewish institutions, schools and synagogues as well as French Jewish citizens are protected from further attacks.

We are painfully aware that these callous and cowardly acts are not isolated incidents. Rather, they are the latest in a series of increasingly disturbing and violent attacks, including the 2012 Toulouse school shooting and multiple attacks during Operation Protective Edge last summer. These events have increased the security concerns of French Jewry and also led to a dramatic rise in immigration of French Jews to Israel.

Federations across North America must stand in solidarity with France and the French Jewish community. These shocking events make it abundantly clear that Jews around the world face a unique and elevated threat to their security from global terrorism and that our on going support is critically needed.

We ask you to please make a donation to help French Jews meet their increased security needs and to aid the victims' families as they recover from this tragedy. We thank you in advance for your generosity.
