Friendly Reminder: High Holy Day Service Courtesies

The High Holy Days: Rosh Hashanah and Yom Kippur are almost upon us this year. We look forward to seeing all of you and your families at the upcoming services to celebrate, pray and connect with friends, family and fellow members of our Jewish community.

We welcome you and want to remind you of the need to be respectful and considerate of others. This applies to both adults and children. Please refrain from excessive talking and other noise or conduct that might be disruptive or otherwise interfere with others' participation in and enjoyment of services.

Please turn off all cell phones and pagers before entering services and limit the number of times you enter and leave the sanctuary during services. When entering or leaving is necessary, please avoid walking in front of the bima.

Whenever possible, enter or exit from the back or side of the sanctuary. Also, please do not enter or exit the Sanctuary while the Ark is open, which is usually the case when you see people standing.

FROM THE RABBI

ISRAEL and THE NEW YEAR

“Receive me back, let me return”

Jeremiah 31:18, Haftarah Reading for Second Day Rosh Hashanah

As I write, there is a truce between Israel and Gaza. The agreement is preliminary; there are more negotiations to come. For many of us the past two months has been a time to defend Israel. This can be a very divisive issue even among friends, even in a congregation. The main points:

- Hamas has been firing rockets into Israel for years. The frequency only escalated this summer.
- Israel uses substantial resources to protect its citizens whereas Hamas uses the residents of Gaza as human shields, firing their rockets even next to UN buildings, hospitals and schools. Hamas has been using its resources to acquire munitions and build tunnels to attack Israel.
- Israel has done more than any other army to warn residents of impending attacks, including phone calls, leaflets, and dropping a dummy bomb before the exploding one.

That is only the current situation. We could go back to questioning why Israel absorbed Jews from all over the Arab world and why the Palestinians have been kept in refugee camps in Gaza, the West Bank, Syria, Lebanon, and Jordan. And any number of additional issues. The point is that neither the Jews nor the Palestinians are leaving. What can we do to keep Israel alive and promote peace for everyone?

We American Jews have to keep supporting the Israelis. Some do that by sending resources to “Stop the Sirens,” a joint effort of Jewish Federations, and the Conservative and Reform Movements. Go to our website to find the donation information. Some of us visit even during difficult times. That is huge. Even more important is becoming informed (try visiting Israeli papers online) and being able to speak calmly and convincingly to friends and neighbors wondering what is going on.

To that end about 30 of us got together a couple of Sundays ago to talk about the *matzav*, the situation in Israel. Views were expressed that were totally in support of everything Israel had been doing as well as worrying about the death and destruction in Gaza. In the past we have been judgmental of each other labeling those who didn't agree with us. That day we had a conversation about a difficult topic in a civil manner without putting anyone down. That is important. That is what we need to do. Receive them back and let them return. As long as we don't alienate anyone we can work together to heal the world.

Tikkun Olam, repairing the world, is about defending Israel and making life better for people everywhere – including here in Huntington. The FIFTY DAYS between the first of Elul (the day our Torah scribe came to town) and Simchat Torah (October 15) when we dance around with all our Torah scrolls at the end of our High Holy Day Season is our HIGH HOLY DAY FOOD DRIVE for the Facing Hunger Food Bank. See page 4 for preferred items. Just bring a case of food one time and you're done! Money is fine too.

May the coming year be one of plenty and peace, and may we do our part to make it so.

L'Shanah tovah umtukah – May you all have a good and a sweet year.

Rabbi Jean E. Eglinton

High Holy Days Food Drive

"The fast I desire – to share your bread with the hungry!"

Isaiah 58:6-7

Bring a case of food – or several!

50 Days

From the beginning of Elul (August 27)

through Rosh Hashanah, Yom Kippur, Sukkot and Simchat Torah (October 15)

B'nai Sholom will be collecting food for the FACING HUNGER FOOD BANK.

Instead of trying to remember to bring something every time you come, please bring one or more CASES of food. This makes it much easier for the food bank to sort and distribute the food we give them. We will also have a barrel – we won't turn away individual cans or boxes!

ANNOUNCING BIG CHANGE TO OUR KROGER GIFT CARD PROGRAM!!!!

Significant changes to the Kroger Gift Card Program have been forced upon us by Kroger's corporate office. **Effective September 1st, 2014**, you will no longer be receiving any Kroger gift cards by mail because Kroger will be changing their existing program from "Kroger Cares" to a new program called "Kroger Community Rewards". What this means to our congregation is that there will be a new, easier and better way to make even more money for our congregation. Three and half million dollars has been designated for this program to assist entities like ours, along with developed organizations and schools within our area.

To participate, first the Temple must register. Then in time we will ask you to register your Kroger Plus Cards into the system. When people start registering their card numbers and then swiping the card at checkout, we will be back on track to making money for our congregation.

This is just a short synopsis of what is happening so be on the look out for more detailed instructions to arrive soon via mail and email to help you with this process.

Thank you for your patience as we make this necessary transition.

The First Steinberg Family Fund Dinner for the High Holy Days Will Be Hosted At Guyan Country Club

As you may recall from previous announcements, through the generosity of Jack Steinberg and to honor the memory of Edda Steinberg, B'nai Sholom Congregation has established an endowed fund known as The Jack and Edda Steinberg Family Fund.

The purpose of the Fund is to host Jewish High Holy Day dinners on the eves of Rosh Hashanah and Yom Kippur for B'nai Sholom congregants, visiting family and friends, potential congregants or students studying in the area who would otherwise be alone for these meals.

Family is always important, and never more so than during the High Holy Days; but there are those in our community who have no family nearby. B'nai Sholom has always been a warm, welcoming and inclusive Jewish community; and because of the newly established Steinberg Family Fund we are now able to provide an opportunity for those who might otherwise be alone to join in with others for these important holiday meals. **We invite you to contact the Temple office (304-522-2980), for your reservation if you would like to be a guest or know of someone you feel should be invited to attend the Steinberg Family Fund dinners. RSVP for the Rosh Hashanah dinner by September 18 and for the Yom Kippur dinner by September 25. For any questions about the dinner, please contact Chairperson / Coordinator, Sandy Colker: 304-633-7483.**

We look forward to hosting the first Steinberg Family Fund dinners for the Jewish High Holy Days at the Guyan Country Club for a beautiful start to the New Year 5775. Remember, there is absolutely no obligation required to attend. If you want to show appreciation, a donation can be made to the Steinberg Family Fund in honor or in memory of someone important to you.

In case you didn't know, David Glick's house has recently been damaged by a fire.

Thank goodness, David nor any of his family were home when the fire started, so no one was hurt. Due to the smoke and water damage, David is not able to live in the house. He will be moving in to a hotel while repairs are being made to his home. David, as we all know, is always, always, always, helping others; so this is our opportunity to lend him some support. He would appreciate hearing from you as this won't be an easy time for him.

Thank You

Dear friends,

I want to thank you for your donations, goldengrams, cards and good wishes on my 90th birthday.

I appreciate your thoughtfulness. It meant a lot to me.

Davie Cohen

To Judy Lundy.....

A huge THANK YOU to Judy Lundy for having all our Torah covers cleaned! They look amazing, so bright and fresh in appearance now. Judy, what a Mitzvah you have given our congregation for the upcoming New Year 5775. We are so appreciative for your thinking of this need and then taking care of it.

PRAYER BOOK PILOTS

Personal High Holy Day Preparation

Rabbi Jean Eglinton and
Dr. Charles Lloyd

Sundays 3:30-5:00 PM
September 7, 14 & 21

We are having a wonderful time with serious conversations about things like:

- Prayer – What is its purpose? How does it work for different people?
- Expressing feelings to God, including anger and frustration as well as joy and praise
- Fasting – What can those who are unable to fast on Yom Kippur do instead?

Writing during the week helps us to form our thoughts on a particular issue.

We also write when we're together to make sure everyone has the opportunity to think before everyone starts speaking. Please join us – even if you can only make it one time!

We are using a draft copy of the forthcoming Reform machzor (High Holy Day prayer book).
They are \$5 each. Ask Rabbi Jean for scholarships.

MITZVAH OPPORTUNITIES

☆ B'NAI SHOLOM HIGH HOLY DAY FOOD DRIVE

Starts August 27th and goes through Simchat Torah. Please bring a case or more of food to the Temple as we want to once again fill 7 barrels with food. See the bulletin for the items they suggested were needed the most.

☆ OFFER A RIDE FOR HIGH HOLY DAY SERVICES

When you don't drive or can't drive at night, having someone offer to pick you up is a very big mitzvah.

☆ CALLING ALL DOOR BUSTERS

Our job isn't finished yet as we still have the 5 side doors to refinish. With Mitch leading the way, along with all the knowledge we gained first time around, finishing these 5 doors should be a breeze. First session will be Sunday September 7th at 11:00 AM. Please RSVP to the office if you are able to help.

☆ COME TO SERVICES ONCE A MONTH TO HELP MAKE A MINYAN

Here is where we could really use your help, especially on Saturday morning. Friday and Sunday has their dependable regulars, but Saturday is still needing some more regulars. Ed Gelin is working hard to turn this around and will be asking for your help at least once every 4-6 weeks. We hope you will find it in your heart to say YES when he asks for you to come.

OUTDOOR TORAH SERVICE & CONGREGATIONAL PICNIC WITH GAMES!

Saturday, September 13

10:00AM: Shacharit - Morning Service, including Torah study and Torah reading...at Harveytown Park.

12:00 Noon: Picnic - We provide the hotdogs, buns, condiments and drinks. Bring finger food - anything that does not require dishes and flatware. Let's keep it green and easy to clean!

Come ready to play some New Games connected with the High Holy Days. They are fun. Some require physical flexibility and being able to fall down. Others really are for EVERYONE. So let's all be ready to enjoy ourselves. Bring friends!

Dear Friend,

Rosh Hashanah 2014 / 5775

It is a ritual we anticipate each year: hearing the sound of the shofar during Rosh Hashanah services. But the shofar blast is anything but routine. It is a wake-up call to pay attention to what counts the most. The shofar blast invites us to think about how we want to live in the coming year. It sends the message that hope and optimism are possible.

It is our hope that the Federated will play an important part in fostering a Jewish identity and a love for Israel in ourselves and our children, and by doing so we can help build the foundation to raise future generations with the same passion. It will continue the work to help Israel, Jews throughout the world, and maintain our committed local efforts with the Jewish Camp, Israel Trip Programs and the Marshall Jewish Student Association.

With the dramatic rise in anti-Semitism and an increasing number of Jews seeking refuge in Israel we in North America must stand shoulder to shoulder as we continue to support our Jewish family wherever there is need. During every time of hostility or need, in virtually every town in Israel, every day, you will find a piece of Federation at work - helping those who need it the most and making sure no one falls through the cracks.

As you prepare for the High Holidays, we ask you to make a generous gift to Federation as part of your ritual. By acting together, we each make a bigger difference than when we act alone. Please send in your donation today. Together we will share in the blessings of Tzedakah.

The Federated Jewish Charities of Huntington would like to wish you and your family all the best for the New Year.

L'Shana Tova,

"How wonderful it is that nobody need wait a single moment before starting to improve the world."

Many Thanks to Herb and Betty Colker For Funding the Restoration of Our Torahs!

When I first arrived at B'nai Sholom Herb Colker wanted me to arrange for a scribe to come care for our Sifrei Torah - our scrolls.

Last fall, Rabbi Salazar came from Sofer-On-Site to teach us about our particular scrolls and how to clean and mend them.

All year, a core group of about a dozen have been meeting on a weekly basis to do so. When Rabbi Dr. Dr. Dr. came the last week of August, he was quite impressed at the quality of the work of our Holy Rollers!

There is more to do, so if you haven't worked on our scrolls yet, watch the October newsletter for your chance to help. Many, many thanks to Herb and Betty Colker for funding this important project!
